Use this guide to help you choose the right Medicare Advantage plan for 2027. When you're ready to enroll, have these details handy.

What doctors or specialists do you see?

Visit ExcellusBCBS.com/FindaDoctor to look up your doctors.

Where are your doctors located?

(Close to home, out of state, do you travel to see any specialists?)

What prescription medications are you taking?

Ask your pharmacy for a list of your medications and doses. Compare drug costs at ExcellusBCBS.com/Medicare. Enter your zip code, click Shop 2027 Plans, and enter your pharmacy location and medications to review your drug costs under each plan.

Are you managing any chronic health conditions?

Before you choose a Medicare plan, think about what fits your budget.

- What's the most you would want to spend on health care costs in a year?
- In addition to your Part B premium, how much could you comfortably pay each month for your Medicare plan?
